

Presentation Assignment

- Group 2:

Applying the most current information from *FAOSTAT*, a United Nations agency website that gathers data on food and agricultural trade flows, develop a list and brief report about the top 3 countries that have the highest export value of green coffee over the last year of data available.

<http://faostat.fao.org/site/342/default.aspx>

Were you surprised by any countries listed? Why (or, why not)?

- Other groups: prepare 1 question/each group for group 2
- Present on Friday (8/7/2011)
