

**1 III. Write a short story of about 120 words about your last summer holiday.** (Viết một câu chuyện ngắn khoảng 120 từ về kỳ nghỉ hè vừa qua của bạn.)

Last summer, I went to Nha Trang beach with my family , it was such a memorable summer holiday. We went there by car, the weather was so nice that made me want to run directly to the beach, enjoy the fresh air. We stayed at Edele hotel whose service I found very satisfied and I had the chance to eat the sea food there. I felt very fun because I also met many foreigners. We stayed in Nha Trang for a week , we buy souvenir for my grandparents and my friends. When I came back home , I felt a little regretted because I wanted to stay there longer. I hoped we can go to Nha Trang again one summer .

2. Last summer, my family and I embarked on a journey to Vung Tau to enjoy a holiday brimming with joy. We set off early in the morning, and after a journey of over three hours, we finally arrived. The sky that day was stunning, with a gentle touch of sunlight. We explored the idyllic beaches, relished in delicious fresh seafood, and flew kites together on the pristine white sands. At the mountain peak, we marveled at the breathtaking scenery and captured timeless photos as keepsakes. As the day drew to a close, we delighted in unique local delicacies, allowing ourselves to be enchanted by the tranquil ambiance of the coastal city. When we left Vung Tau, we carried treasured memories and a deep love for this place within our hearts.

**2 Write a short story of about 120 words about a school trip you took.** Viết một câu chuyện ngắn khoảng 120 từ về chuyến đi học của bạn.

1. Last summer, my school had a trip to Da Nang city. It has many beautiful beaches, it attracts many tourists to visit, is the fourth largest city in the country. So, on the first day, we went to My An beach. The sky here is very clear. The sand has a considerable amount of corals with many different multi-colored seashells. We swam and took some photos. The food was very fresh and delicious. The next days, we went out to other famous places in Danang such as Ba Na Hills, Marble Mountains, Helio Market,... The scenery here is very beautiful. In addition, local people are very polite, generous and kind. I hope to come back here one day in the near future.

### 3 VIẾT MỘT ĐOẠN VĂN KHÔNG QUÁ 120 TỪ KỂ VỀ MỘT SỰ CỐ ĐEM LẠI BÀI HỌC KINH NGHIỆM 😊 (AN INCIDENT THAT GIVES LESSONS LEARNED:)

In 7th grade, I had an incident with my math scores. At that time, I didn't understand why I didn't study hard and only worried about playing, so one day the teacher gave us a surprise test. At that time, I felt very insecure, because I knew I didn't study and as expected, I couldn't do it. Feeling really scared, she graded and returned the papers to the class immediately afterwards. I already knew the results, but when I saw the number 0 on the test, I was really disappointed in myself. Because I didn't try, things turned out like that. After that time, I never neglected my studies again, I had to work very hard to get the best results.

### 4 A challenge you had at university. Một thử thách bạn gặp phải ở trường đại học.

Being a shy and introverted person, I always had a hard time participating in university activities. However, I realized that I needed to step out of my comfort zone and challenge myself. I decided to play volleyball in Industrial University of Ho Chi Minh City even though I rarely played before. At first, it was hard to try to keep up with more experienced players. I feel incompetent and ashamed when I make mistakes. However, I started to practice regularly and received valuable guidance from my friends. Slowly but surely, my skills improved, and I started to like the game. I also made new friends and discovered a new passion. Joining a sports club is a challenge, but it has helped me grow and taught me that sometimes, the only way to overcome a fear is to face it.

## **5 A celebration that you took part in Một lễ kỷ niệm mà bạn đã tham gia**

I vividly remember the exhilaration of participating in a vibrant celebration that brought together people from all walks of life. The event took place in a picturesque park adorned with colorful decorations and lively music that filled the air. Families and friends gathered, dressed in their finest attire, with smiles of anticipation on their faces. As the celebration kicked off, there were captivating performances showcasing traditional dances, mesmerizing music. The highlight of the celebration was the grand feast, where long tables were adorned with delectable dishes. As the night wore on, the sky was illuminated by a breathtaking fireworks display. Colorful explosions burst overhead, painting the night with brilliant hues. As the celebration drew to a close, we exchanged heartfelt goodbyes, promising to meet again next year for another unforgettable gathering. It was a celebration that brought us closer together.

## **6 How you prepared for Tet holiday last year Bạn đã chuẩn bị đón Tết năm ngoái như thế nào**

The Tet holiday last year, I prepared a series of tasks to welcome the new year and create a cozy and exciting atmosphere. I engaged in cleaning the house, from thorough tidying to decorating with auspicious flowers and plants. In addition, I made a shopping list to ensure I had all the necessary ingredients and items for the family meals during the Tet days. I also prepared some traditional dishes such as square sticky rice cake, cylindrical sticky rice cake and coconut jam to share with family and friends. All the preparations brought a sense of anticipation and happiness, creating a warm and harmonious atmosphere for the family during this significant Tet holiday. I cherish those wonderful moments with my family.

## **7 Your first class at university Lớp học đầu tiên của bạn tại trường đại học**

The first class at university was a memorable experience in my life. Everything was new and exciting, from meeting new friends to attending lectures filled with knowledge. There was an atmosphere of anticipation and enthusiasm in the classroom. We came together, and learned from one another, exploring new abilities and personal growth. Our class was divided into groups for collaborative projects, and since then, we have become close and remained so until now. The passionate and dedicated teachers created an inspiring learning environment. From lively discussions to engaging group projects, we built strong and meaningful relationships. The first class at university laid a solid foundation for our academic journey and exploration. The feeling of that first class at university is something I will never forget and will always cherish in my mind.

## **8 A competition that you took part in Một cuộc thi mà bạn đã tham gia**

I once participated in an inspirational competition at my high school. Since learning about the competition, I dedicated hours to researching meaningful essays. Excitement and anticipation filled me as the day of the competition approached. On stage, I made an effort to convey my emotions and ideas with love and passion. Despite moments of worry and making mistakes, the support and encouragement from my family and friends helped me overcome every challenge. As a result, I not only received an award but also matured and learned from the experiences and feedback. The competition became a significant turning point in my life, igniting my creative passion and affirming that nothing is impossible if we dare to try. I feel stronger and more brave after participating in this competition.

## **9 A camping trip that you went on Chuyến cắm trại mà bạn đã tham gia**

Last summer, my friends and I decided to go camping in the mountains. We packed our tents, sleeping bags, and plenty of food. After a few hours' drive, we arrived at the campsite. The view was breathtaking, and the air felt fresh and crisp. We set up our tents and decided to explore the nearby hiking trails. As we hiked, we saw beautiful waterfalls and stunning vistas. At night, we gathered around the campfire and shared stories. We even saw shooting stars! It was a fun and memorable trip, and we all agreed that we should go camping again soon. I feel stronger and more brave after participating in this camping trip. I will never forget and will always cherish in my mind.
