

## SPEAKING

### PART 1: PERSONAL INFORMATION

*Each student will be asked 4 questions about different topics. (24 câu hỏi trong 6 chủ đề)*

#### **Topic 1: Work**

##### **1. Have you ever worked part-time?**

- Yes, I have. When I was 20, I worked as a waiter at a restaurant near my university. It was a great experience, and I enjoyed meeting and serving different people.

##### **2. What kind of job do you want to do in the future?**

- In the future, I want to become a skilled IT developer. I hope to work in a professional environment with talented people in the field of information technology.

##### **3. What have you been doing to prepare for your future job?**

- I've been working hard to get a good certificate from my school. I'm also preparing for the TOEIC test, improving my computer skills, and learning soft skills to be ready for my future career.

##### **4. What do you do to get ready for a job interview?**

- I prepare a professional CV in both English and Vietnamese. I also choose a nice suit to wear so I can feel more confident. Additionally, I research the location of the interview in advance to make sure I arrive on time and feel well-prepared.

---

#### **Topic 2: Technology**

##### **5. What invention do you think is useful for your study?**

- I think the internet is very useful for my studies. It helps me find information and learn new things quickly and easily.

##### **6. What do you usually do on the Internet?**

- I often search for study materials, watch tutorials about coding and programming, and sometimes use it to relax. The internet is very helpful because you can find almost everything you need.

##### **7. Do you prefer using a mobile phone or a laptop to study online?**

- I prefer using a laptop to study online because it's more convenient for things like searching, writing, coding, and joining online classes. It also helps me organize my study materials and follow lessons better.

##### **8. Do you know any famous inventor?**

- Yes, I know Thomas Edison. He is a famous inventor who created the light bulb, and it changed the world.

---

### ***Topic 3: Holidays***

#### **9. What activities do you like to do when you are on holiday?**

- If I go on holiday by the seaside, I enjoy swimming in the sea and sunbathing on the beach. I also like building sandcastles with my friends or family.

#### **10. What kind of accommodation do you like to stay in when you are on holiday?**

- When I go on holiday, I prefer staying at hotels because they are convenient and comfortable. Hotels usually have good services, and I don't have to worry about cooking or cleaning.

#### **11. Have you ever had any problems on holiday?**

- Yes, I've had some problems before. For example, it rained a lot during the trip, the hotel wasn't as good as expected, or we got lost while sightseeing.

#### **12. Do you prefer traveling in a group or on your own?**

- I prefer traveling in a group because it's more fun. We can share experiences, do activities together, and create great memories.

---

### ***Topic 4: Products***

#### **13. What is the last thing you bought online?**

- The last thing I bought online was a mouse. It makes working with my laptop more comfortable, and I got it at a 20% discount.

#### **14. How important do you think logos are?**

- Logos are very important because they help people recognize a brand easily. A good logo can make a brand more memorable and even increase sales.

#### **15. Which websites do you visit when you want to buy things such as clothes, shoes, and books?**

- I often shop on websites like Shopee, Tiki, or Lazada because they have many discount codes and great promotions every month.

#### **16. What do you think makes one website better than another?**

- A good website should work well on mobile devices because most people use smartphones now. It should also have up-to-date content and fewer annoying ads.
-

### ***Topic 5: History***

#### **17. Do you often play video games with your friends?**

- Yes, I do. I enjoy playing video games because it allows me to communicate and connect with many different friends.

#### **18. What sorts of games are popular in your country?**

- In Vietnam, popular games include Flappy Bird, which is a famous mobile game, and sports games like football, as well as farming games like Happy Farm.

#### **19. Do you think that video games are bad for you?**

- I think video games can be bad if you play them too much. It's important to balance them with other activities. However, they can also help you relax after a stressful day.

#### **20. What historical place in Vietnam have you ever visited?**

- A historical place I have visited is Dinh Doc Lap in Ho Chi Minh City. It is an important landmark in Vietnam's history.
- 

### ***Topic 6: Nature***

#### **21. If you could live in another country, where would you move to?**

- If I could live in another country, I would move to Singapore because it's very clean and a beautiful place to live.

#### **22. If you won a lot of money, would you stop working/studying?**

- I wouldn't stop studying because I believe that learning helps us become better people.

#### **23. What is your favorite animal?**

- My favorite animal is the dog because they're cute, friendly, and smart.

#### **24. Have you ever visited a zoo?**

- Yes, I have. I visited the city zoo three months ago. I love the animals there. The monkeys are very quick, and the giraffes are friendly and nice.
