# SEARCH FORM

The image shows a mobile application interface for searching flights. At the top, there is a navigation bar with a 'Home' button and the title 'Flights'. Below this is a search bar with a magnifying glass icon and the word 'Search', and a 'History' button with a clock icon. The interface then presents several options for trip type: 'One-way', 'Round-trip', and 'Multi-city'. The main section displays the flight details: an airplane icon, the origin 'AUS' (Austin, TX - Austin...) and destination 'LAX' (Los Angeles, CA). Below this, the departure date is 'MON 21 MAR' and the return date is 'WED 23 MAR'. The number of travelers is set to '1' with a minus and plus button, and the class of service is 'Economy'. A large orange button at the bottom is labeled 'Search Flights'.
