Part 3: Follow-up questions

Each student will be asked 2 questions related to their conversation in Part 2.

SPEAKING

PART 1: PERSONAL INFORMATION

Each student will be asked 4 questions about different topics. (24 câu hỏi trong 6 chủ đề)

Topic 1: Work

1. Have you ever worked part-time?

- Yes, I have. When I was 20, I worked as a waiter at a restaurant near my university. It was a great experience, and I enjoyed meeting and serving different people.

2. What kind of job do you want to do in the future?

- In the future, I want to become a skilled IT developer. I hope to work in a professional environment with talented people in the field of information technology.

3. What have you been doing to prepare for your future job?

- I've been working hard to get a good certificate from my school. I'm also preparing for the TOEIC test, improving my computer skills, and learning soft skills to be ready for my future career.

4. What do you do to get ready for a job interview?

- I prepare a professional CV in both English and Vietnamese. I also choose a nice suit to wear so I can feel more confident. Additionally, I research the location of the interview in advance to make sure I arrive on time and feel well-prepared.

Topic 2: Technology

5. What invention do you think is useful for your study?

- I think the internet is very useful for my studies. It helps me find information and learn new things quickly and easily.

6. What do you usually do on the Internet?

- I often search for study materials, watch tutorials about coding and programming, and sometimes use it to relax. The internet is very helpful because you can find almost everything you need.

7. Do you prefer using a mobile phone or a laptop to study online?

- I prefer using a laptop to study online because it's more convenient for things like searching, writing, coding, and joining online classes. It also helps me organize my study materials and follow lessons better.

8. Do you know any famous inventor?

- Yes, I know Thomas Edison. He is a famous inventor who created the light bulb, and it changed the world.

Topic 3: Holidays

9. What activities do you like to do when you are on holiday?

- If I go on holiday by the seaside, I enjoy swimming in the sea and sunbathing on the beach. I also like building sandcastles with my friends or family.

10. What kind of accommodation do you like to stay in when you are on holiday?

- When I go on holiday, I prefer staying at hotels because they are convenient and comfortable. Hotels usually have good services, and I don't have to worry about cooking or cleaning.

11. Have you ever had any problems on holiday?

- Yes, I've had some problems before. For example, it rained a lot during the trip, the hotel wasn't as good as expected, or we got lost while sightseeing.

12. Do you prefer traveling in a group or on your own?

- I prefer traveling in a group because it's more fun. We can share experiences, do activities together, and create great memories.

Topic 4: Products

13. What is the last thing you bought online?

- The last thing I bought online was a mouse. It makes working with my laptop more comfortable, and I got it at a 20% discount.

14. How important do you think logos are?

- Logos are very important because they help people recognize a brand easily. A good logo can make a brand more memorable and even increase sales.

15. Which websites do you visit when you want to buy things such as clothes, shoes, and books?

- I often shop on websites like Shopee, Tiki, or Lazada because they have many discount codes and great promotions every month.

16. What do you think makes one website better than another?

- A good website should work well on mobile devices because most people use smartphones now. It should also have up-to-date content and fewer annoying ads.
-

Topic 5: History

17. Do you often play video games with your friends?

- Yes, I do. I enjoy playing video games because it allows me to communicate and connect with many different friends.

18. What sorts of games are popular in your country?

- In Vietnam, popular games include Flappy Bird, which is a famous mobile game, and sports games like football, as well as farming games like Happy Farm.

19. Do you think that video games are bad for you?

- I think video games can be bad if you play them too much. It's important to balance them with other activities. However, they can also help you relax after a stressful day.

20. What historical place in Vietnam have you ever visited?

- A historical place I have visited is Dinh Doc Lap in Ho Chi Minh City. It is an important landmark in Vietnam's history.
-

Topic 6: Nature

21. If you could live in another country, where would you move to?

- If I could live in another country, I would move to Singapore because it's very clean and a beautiful place to live.

22. If you won a lot of money, would you stop working/studying?

- I wouldn't stop studying because I believe that learning helps us become better people.

23. What is your favorite animal?

- My favorite animal is the dog because they're cute, friendly, and smart.

24. Have you ever visited a zoo?

- Yes, I have. I visited the city zoo three months ago. I love the animals there. The monkeys are very quick, and the giraffes are friendly and nice.

PART 2: SOCIAL INTERACTION

A pair of students will be asked to talk about a situation together for about 3 minutes.

2.3/ Discussion on problems and solutions in a meeting

Model question: Exercise 6 page 148 (Turn to pages 153,154, and 155)

PART 2: Social interaction

A pair of students will be asked to discuss on problems and solutions in a meeting for 02 minutes.

Card A - Student A: You are the zoo manager and will lead the meeting.

- Problem: The zoo will close because there is not enough money to run it.
- Suggestion: Sell souvenirs to visitors to earn more money.
- Reason for responding positively to B's suggestion: Companies will support this plan because they can advertise their own companies on the sign.

Card B - Student B: You work for the zoo.

- Reason for responding negatively to A's suggestion: Many people prefer buying souvenirs elsewhere.
- Suggestion: Ask companies to sponsor different animals at the zoo. Their companies' names will be on a sign near the animal.
- Concluding idea: List the names of some company bosses and contact them.

Sample 1

Student A: Hello, B and thank you for coming. Today we are going to discuss the zoo. The problem is that our zoo has not enough money to buy more animals. To solve this problem, we can contact other zoos and exchange animals so people will come back to look at different animals

Student B: Yes, but I'm afraid they will disagree with our suggestion because of the competition. I think we should ask companies to sponsor different animals and their name will be on a sign near the animal.

Student A: You might be right. Your solution is good for these days.

Student B: Ok, Now, we should make a plan for this. Firstly, we should list the names of some companies. Secondly, we will write formal letters to them.

PART 2: Social interaction

The flow chart below shows how Student A & Student B take turns to discuss the problem and solutions

Đáp án mẫu:

Student A: Hello, B and thank you for coming. Today we are going to discuss the zoo. The problem is that the zoo will close because there is not enough money to run it.

Student A: We could sell/ How about selling souvenirs to visitors to earn more money.

Student B: I think that won't work because many people prefer buying souvenirs elsewhere.

Student B: Why don't we ask companies to sponsor different animals at the zoo and their companies' names will be on a sign near the animal.

Student A: That's a good idea. I guess companies will support this plan because they can advertise se their own companies on the sign.

Student B: So we have agreed on this. Now I will list the names of some company bosses and contact them.

2.3.1. SITUATION OF ENGLISH CENTER

A : Hi everyone. Thank you for coming. Today we are discussing problems and solutions of our English center

The problem is that the center will be closed because we don't have enough money to run it.

How about giving some discounts for students ?

B: Well, that's not a good idea. The fees for our courses are quite low also If we give some discounts, we won't have enough money to pay for teachers.

B: Oh, Why don't you try to open online classes to attract students from different areas of the country

A: That's a good idea, we can also spend less money in the rooms and electricity bills.

B: I will talk the teachers about preparing for online classes

2.3.2. A meeting at the city hall to discuss the financial problem of the neighborhood park.

City Leader: Hello, thank you for meeting with me today. We have a big problem. The park might close because there is not enough money to run it.

We need to find a solution to keep it open.

How about selling some of the old playground equipment to earn more money?

Neighborhood Representative: I think that won't work / I don't agree with you because the old equipment is not worth much. We need a better plan.

Why don't we ask local businesses to sponsor the park? They could help with the costs in exchange for advertising their services.

City Leader: That's a good idea! Businesses might be willing to help if they can put up their logos in the park.

Neighborhood Representative: So we have agreed on this. Now I will talk to some business owners and see if they are interested in sponsoring the park.

City Leader: Perfect! I will also check if we can get any extra funding from the city budget.

Neighborhood Representative: Great! Let's work together to save the park.

City Leader: Yes, let's do that. Thank you for your help!

PART 3: Follow-up questions

Each student will be asked 02 questions related to their conversation in Part 2.
